question to your group (2 mins each)

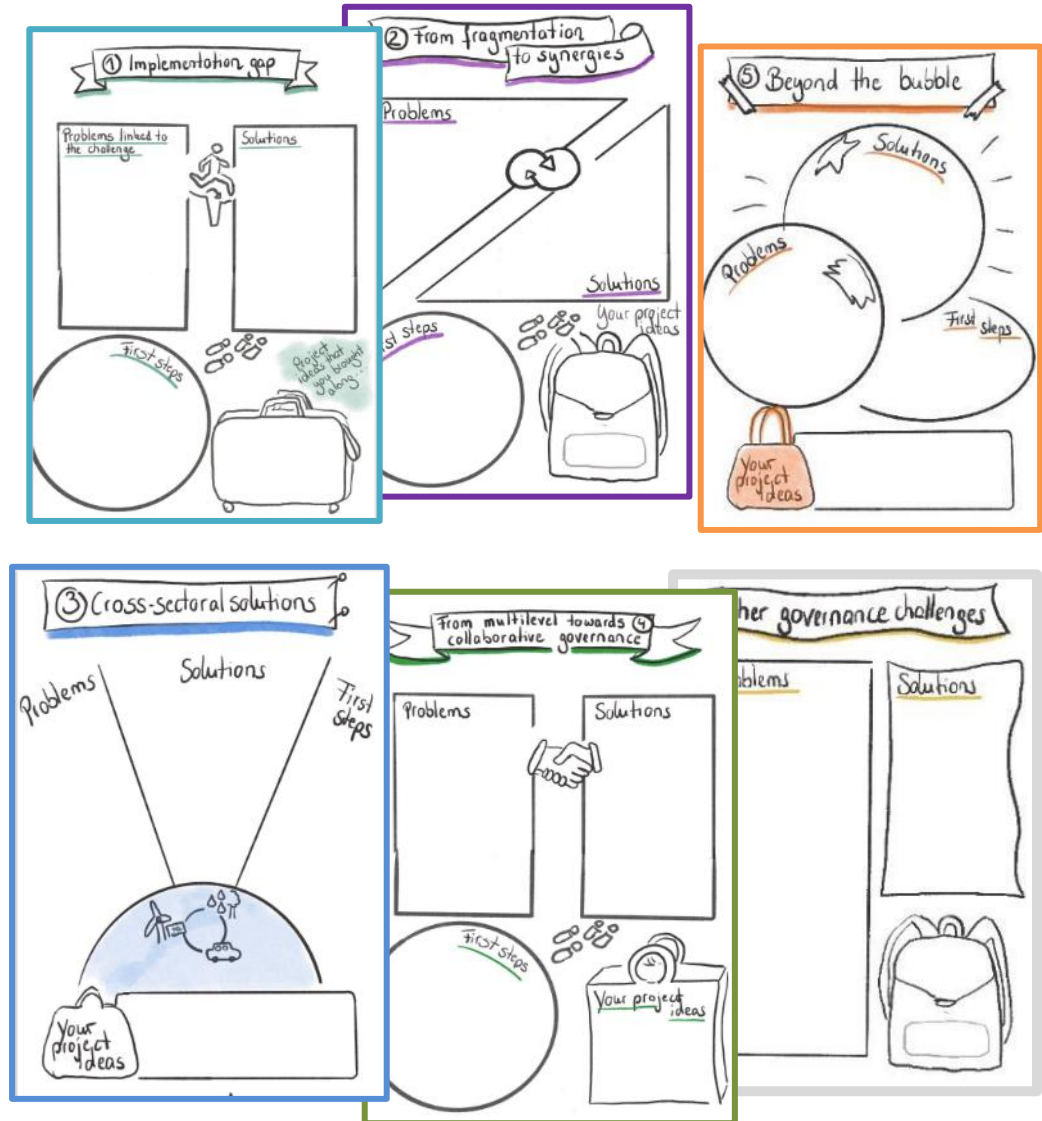

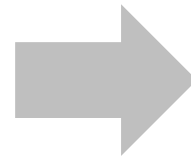

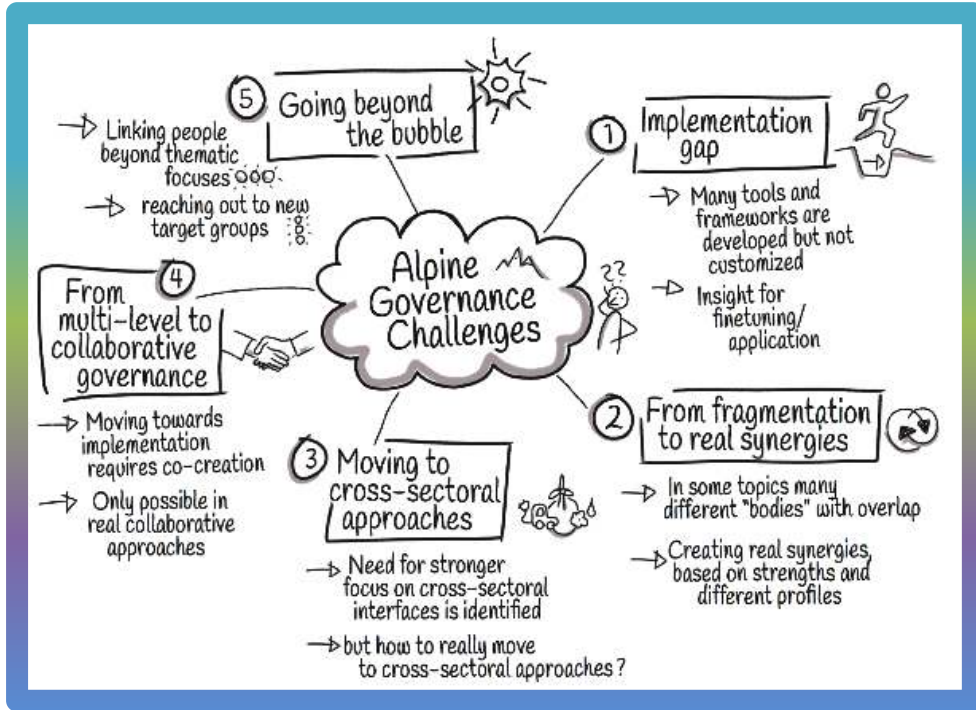

#1: Which governance term was new to you?

**#2: Which governance term has the closest link
to your work? Why?**

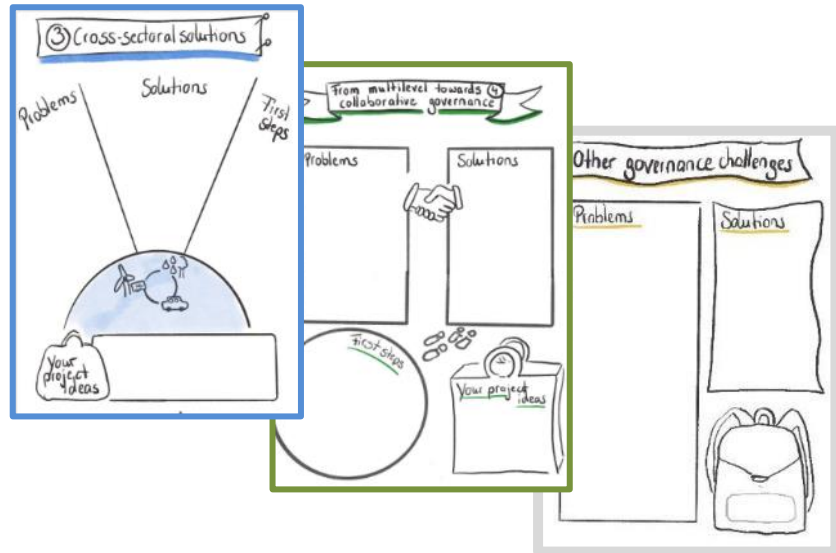

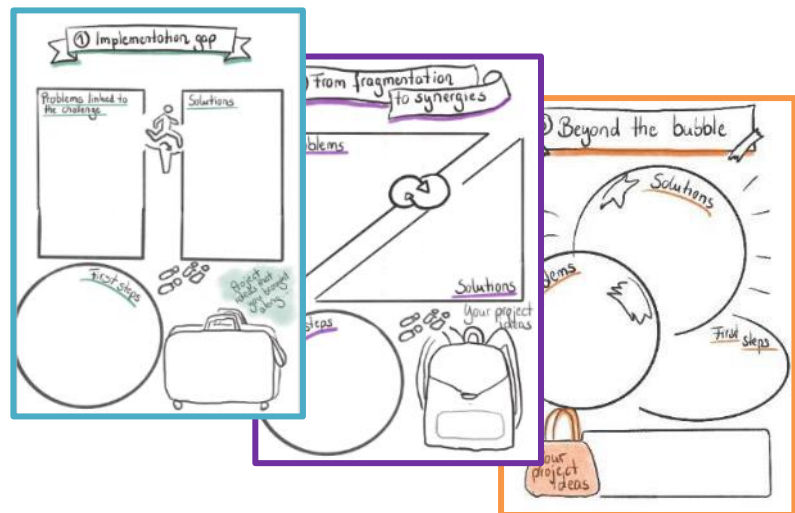

**Introduction group
work**

Different Challenges regarding governance

Different Challenges regarding governance

1

Select one of the **challenges**

2

Identify problems/solutions...that

a) **address** the respective **challenge**

b) are **linked to your project idea**

3

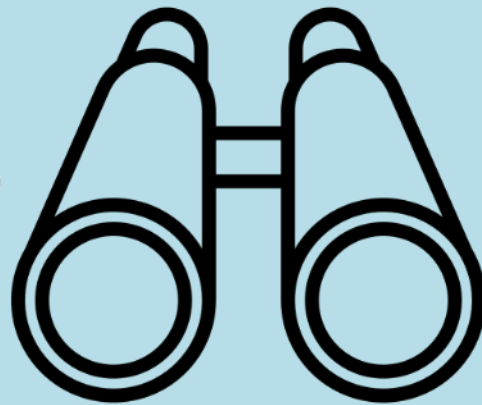

Write down your **ideas** on post its and **discuss** within the group

4

If there is time left, go to **other posters** and add your ideas

! If you have **additional governance challenges** in mind, please add them to the **empty poster!**

Outlook Day 2

Outlook

- Tomorrow we will investigate the governance challenges in more depth
 - And start developing project ideas / finetune your existing ideas from there on
- Please think about which challenge would be most interesting for you/ which challenge has the closest link to your project idea
- Put your business card in the envelope on top of the selected poster
(or put a sticker)
