

Cooperation Alps 2020+

Thinking ahead, acting together!

01 & 02 October 2018 | Salzburg

Conference Scrapbook

01 October 2018

After some on site preparation...

 **Interreg AlpineSpace @EUAlpine...**
We are ready for Cooperation Alps 2020+ and looking forward to welcoming you!

Brigitta Palauf, President of the Regional Parliament, Land Salzburg, opens the day.

 **Interreg AlpineSpace @EUAlpine...**
"We have to deepen cooperation in the Alps for a successful future"
Brigitta Palauf, [@LandSaizburg](#)

Followed by a panel interview on how to foster cooperation in the Alps after 2020.

Michael Roth, chair of the Alpine Space programme committee.

 **Interreg AlpineSpace** @EUAlpine... 3d
Michael Roth, @EUAlpineSpace chair:
"we should discuss about territorial
development instead of procedures"
#Alps2050

Marianna Elmi, Deputy Secretary General of the Alpine Convention.

 **Interreg AlpineSpace** @EUAlpine... 3d
M. Elmi, @alpconv: "With 25 years of
cooperation expertise, we'll keep
cooperating with @_Eusalp &
@EUAlpineSpace"

Olivier Baudelet, Directorate General for
Regional and Urban Policy, European
Commission.

 **Interreg AlpineSpace** @EUAlpine...
Olivier Baudelet, @EU_Regional,
introducing the administrative and
policy simplifications in draft
regulations 2020+

Peter Eggensberger, our first keynote speaker, presents the possibilities of synergy between ESIF programmes and EUSALP action groups.

 **Interreg AlpineSpace** @EUAlpine... 3d
P. Eggensberger, @STMUV_Bayern
"we are responsible to bring
[@_Eusalp](#) in our national & regional
discussions"

Our second keynote speaker, **Tobias Chilla** from the University of Erlangen -Nürnberg, presents key results of the ESPON project "Alps 2050: spatial perspectives for the Alpine area – towards a common vision".

Perspectives for the Alps: status quo,
protected Alps, functional space,
European core. Alps 2050, T. Chilla

A short coffee break after this intensive first session

Workshops: putting our heads together

“Programmes will have to reflect on which level and with which means they can contribute to existing strategies, especially the EU-SALP in the next period.”

“The objectives defined by states and regions for EUSALP can only be reached with the contribution of all players”.

02 October 2018

Stories of cooperation: project partners share their experience.

Arnulf Hartl and **Christina Pichler**, Paracelsus University - Institute for Ecomedicine.

Arnulf Hartl & Christina Pichler from
Paracelsus Medical University on
valorising natural resources for health
tourism #cooperation #Alps

Stories of cooperation: programme representatives share their experience.

Gerald Engasser, Ministry for social affairs and integration, Baden-Württemberg

Play the presentation

 **Interreg AlpineSpace** @EUAlpine...
Gerald Engasser on Danube ESF
experience: "for transnational
cooperation we need people who
share responsibility and commit to
priorities".

Kadri Jushkin, Estonian Ministry of Finance, experiences from the network of ERDF Managing Authorities.

“Regional programmes have no joint pot for funding cooperation. To support the macro regions, coordination is key, as well as spending resources for activities beyond their programme areas.”

[Play the presentation](#)

Workshops: Identifying scope for synergy

“We need more trainings on lobbying and communication”.

“there is a need for coordination (and coordinator roles) between programmes“.

“we need to raise awareness for new regulations and obligations (their reasons and purpose)“.

“We need to learn from existing networks and collaborations“.

Outlook and closure of Cooperation Alps 2020 +

Olivier Baudalet, Directorate General for Regional and Urban Policy, European Commission.

Interreg AlpineSpace @EUAlpine... 2d
O. Baudalet 3 lessons - cooperation
Alps 2020+: "coordination in the Alps,
good projects and methods for good
cooperation" @EUinmyRegion

"What I take with me to Brussels..."

"...We need to make sure that cross-border programmes are aware of the macro-region and promote good projects".

"...We need to support the establishment of networks of managing authorities of different programmes".

"...The cooperation dimension needs to be included in national and country position papers".

Adriana May, representative of the incoming Italian EUSALP Presidency.

Interreg AlpineSpace @EUAlpine... 2d
A. May, on the upcoming @_Eusalp
Presidency: "the Italian Presidency will
be a cooperation between State and
Regions"

Christina Bauer, managing authority of the Alpine Space programme, closes the day .

“Focusing on core tasks will help all players coordinate their actions to support the implementation of the strategy.”

Thank you!
