Synergies with EUSALP

- Coordination between Alpine Space programme and EUSALP
- Synergies between projects and Action Groups in the work plan
- Project implementation and dissemination -> mutual benefits
 - Invite AG leaders to your kick-off
 - Pitch your project at AG meeting
 - Plan involvement from the start
- Monitoring and support from JS/TSS

Our Youth Ambassadors initiative

Cooperation between projects and EUSALP Youth Council

Added value

- Take part in project's steering group meetings and get insights into the work of Alpine Space projects
- Bring in the view of young people and positions of the EUSALP Youth Council in the discussions
- Take part in field trips, visit pilot locations or major project events
- Report on the project's progress/results on social media -> widen the project's communication strategy
- Report on their contributions/learning experiences on social media or at events

Our Youth Ambassadors initiative

- Projects interested in involving young people are invited to contact EUSALP Secretariat (Simon Soltner or Natael Fautrat), or fill in this form on our website
- EUSALP Youth Council connects young people with projects
- If it`s a match, the person becomes an Alpine Space Youth Ambassador
- Participation is on a voluntarily basis
- Travel cost are eligible for reimbursement by projects
