## EUSBSR SUPPORT - towards policy impact

This project outlines a 3-year process of individual, organisational and structural support that targets PAC/HACs. It pursues three specific objectives:

1. Strengthening performance capacity of PAs/HAs in relation to maximizing POLICY IMPACT, FLAGSHIP WORK and STRUCTURED ACTOR-DIALOGUE.
2. Implementing continuous structured dialogue and learning throughout the EUSBSR implementation actor network, as a VEHICLE OF CROSS-AREA IMPACT.
3. Develop, test and conceptualize METHODS FOR MONITORING & EVALUATION of results from respective PA/HA, to later make them available to other MRSs and other relevant contexts.

## 3 Baltic Leadership Programme / year

Leadership programmes with three modules targeting the needs of the Policy Areas

Examples; BLP - labour mobility, BLP - cluster excellence

## 2 Baltic Executive Programme / year

Leadership programmes with three modules building capacity for transnational cooperation among local and regional authorities (civil servants and politicians)
