

2024 SATI SUMMER WORKSHOP HIKES & ALPS 'GREEN MOUNTAIN PIONEERS' FILM TOUR DATES

- The Sustainable Alpine Tourism Initiative (SATI) summer tour will be visiting several countries across the Alps from 19 - 31 August.
- The summer tour includes day workshops on hikes, evening film screenings of the SATI 'Green Mountain Pioneers' documentary and an overnight camping event.
- All day hike workshops and film screening events are free to attend. The SATI summer tour events aim to bring together local communities, researchers, sustainability experts, policy makers, industry leaders, youth and people who are interested in sustainability topics in mountain regions.
- Each day event will be available for pre-registration via Event Brite. There is no joining fee for any events to ensure they are as inclusive as possible. Note any refuge/camping stays accommodation and food costs must be self-funded, so participants will need to cover their own travel, food and accommodation expenses.
