

Annexe 3 – Individual questionnaire (anonymous)

Date :

1 - What worked well in the past governance and why ?

3 - In your opinion, have all relevant actors been able to contribute to decision-making ? - If not, which ones were missing ?

2 - Did the decisions made change :

> Uses and activities on the watershed ?

- If yes, how ? - If not, why ?

> The state of natural resources and environment in the watershed ?

- If yes, how ? - If not, why ?

4 - What were the main difficulties in decision-making ?

- What was set up to deal with these difficulties ?

5 - What did you think about this workshop ?

Very useful
